

How You Can Give

with South Saskatchewan Community Foundation

When you've decided to develop a Fund, you'll want to consider the options that work best for you and your situation. We are happy to work directly with families, charities, corporations, and legal and financial advisors. If preferred, your donation may also remain anonymous. Below are several donation options available.

Non-Cash Assets to a Charitable Remainder Trust

This allows you to arrange your gift today and receive an immediate tax receipt while enjoying the income, or use, of the gifted asset for your lifetime. A Charitable Remainder Trust that is established during the donor's life will not be subject to probate taxes.

Donate Online

Credit cards, Interac, and Paypal at www.sscf.ca - your donation receipt will be issued directly from the online donation portal.

Gifts Made by Cheque

A charitable donation receipt will be made out to you for the year in which the contribution was made.

Will

A timeless way to leave your legacy. An investment like this tells your story while providing your ongoing inspiration to future generations. A gift in your will may specify a sum of money, a specific asset, or a portion of your estate to be donated to SSCF or your Fund at SSCF.

Monthly Giving

Assure your preferred cause receives stable ongoing funding while conveniently budgeting your donations.

Life Insurance

A gift of life insurance can create a significant future contribution at a presently affordable cost. It's an excellent way to repurpose an existing policy once it is no longer needed to protect a growing family. Significant (but different) tax savings can result when you name SSCF as a beneficiary or transfer ownership of the policy to SSCF.

Non-Cash Gift Examples

Securities or stocks RRSPs, mutual funds or GICs Land or property

Other ways to invest in your community include the gifting of commodities or personal holdings that can be realigned for community betterment. Tax benefits can be significant while you invest in your community.
