

Create your own legacy fund and give back to your community - forever.

Your legacy can start with as little as \$10K and your family name can live on forever. Below is an example of how a donation of \$100K can provide money to charitable organizations of your choice every year - even after you're gone. Future generations will thank you!

Building communities for all to succeed together and forever.

The South Saskatchewan Community Foundation connects donors and charities across south Saskatchewan.

We believe in helping donors support local charities and developing our community so that our home is a stronger and fair place to be.

Key facts about the foundation:

- We have partnerships across the province and nation to build stronger communities
- We are one of over 200 community foundations across Canada - a proud member of Community Foundations of Canada
- We have approximately \$100 million in assets
- We have distributed approximately \$60 million back to community from 1969 to 2022.
- We hold approximately 140 funds that were started by local organizations, individuals and families.

We can act as your personal foundation without the administrative work.

You can start your own foundation fund with \$10K (or a multi-year plan to build up to \$10K), making this an accessible and sustainable option for many families and businesses.
